Artist-Blacksmith's Association of North America, Inc.
15754 Widewater Drive
Dumfries, VA 22025-1212

We have compiled the accompanying statement of assets, liabilities and net assets - modified cash basis of Artist-Blacksmith's Association of North America, Inc. (a non-profit corporation) as of December 31, 2009 and the related statement of revenues, expenses and other changes in net assets with comparison to annual budget - modified cash basis, for the twelve months then ended. The financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all of the disclosures ordinarily included in the financial statements prepared on the modified cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the organization's assets, liabilities, net assets, revenues and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.

The organization has been contacted by the University of Washington Conference Services with a claim that an additional \$59,474.01 is owed to them related to the July 2006 ABANA conference. The organization contests these charges and is currently working with counsel to resolve this issue. Accordingly, no provision for any estimated liability is reflected in the accompanying financial statements.
