

Blacksmithing Weekend

September 28 & 29, 2024 • 10 AM - 4 PM

Join us for *Blacksmithing Weekend* at The Farmers' Museum. Come and watch demonstrations focusing on traditional tool and hardware making and more.

Along with our resident smiths, the museum will host several visiting blacksmiths showcasing their skills and knowledge of the trade. Walk through our exhibits including the *Tradesman's Tool Chest*. Explore the historic Country Village and see items made by our blacksmiths in use. Visit Todd's General Store where forged iron goods and items made by our village craftspeople can be purchased.

If interested in being a demonstrator or vendor, please email Patrick MacGregor at p.macgregor@farmersmuseum.org. Check our website for more information—coming shortly. We look forward to seeing you in September!
